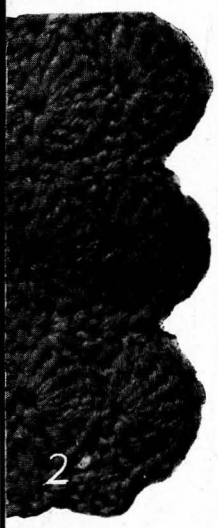
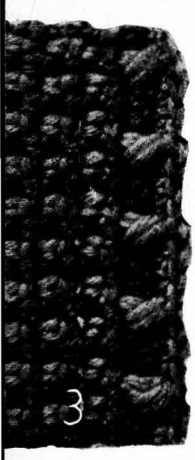
Borders ADD THE FINISHING TOUCH TO YOUR AFGHAN

1—DOUBLE PICOT. ROW 1: dc. ROW 2: dc 1 in first st, ch 1, dc 1 in same st, *skip 2, dc 1, ch 1, dc 1 in next st*, repeat between stars. ROW 3: *dc 1 in space between the 2 dc of previous row, ch 2, dc 1 in same space*, repeat between stars. ROW 4 *dc 4 into space, ch 3, sc 1 on top of last dc, ch 3, sc 1 in last sc, dc 4 in same space. sc 1 in next space*, repeat between stars.



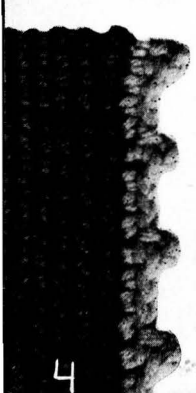
2—SHELLSTITCH. ROW 1: dc. ROW 2: *sc in next st, skip 2 sts, dc 9 in next st, skip 2 sts*, repeat between stars. For narrow border, this one row of shells is sufficient. For double row of shells, continue working as follows. ROW 3: ch 5, sc 1 in center st of shell, *ch 3, dc 2 in sc of row below, ch 3, sc 1 in center st of next shell*, repeat between stars. ROW 4: *sc in between the 2 dc of row below, skip the 3 ch sts, and dc 9 in sc of row below*, repeat between stars. As many shell rows can be made as desired. Also, color can be changed each row of shells. This stitch is very attractive, and can be used for an entire afghan, either in squares, strips, or in one piece.

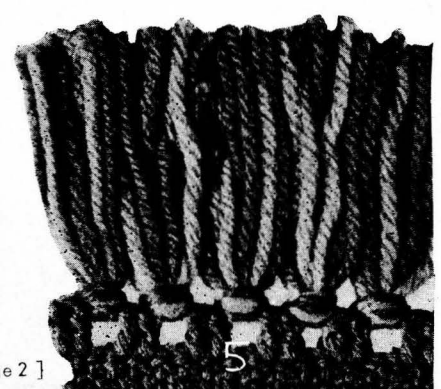


3—TWEED EFFECT. ROW 1: sc. ROW 2: sc 1 in first st, *ch 1, skip 1, sc 1 in next st*, repeat between stars. ROW 3: change the color, *work sc under ch st, ch 1, skip sc in row below*, repeat between stars. ROWS 4 AND 5: repeat rows 2 and 3. (Note: work more rows if wider border desired). ROW 6: sc 1 into every st. ROW 7: work crisscross st as follows, *sc 1 in each of next 3 sts, wrap yarn around needle, insert hook around sc in 2nd row below (leaving the loop on hook), repeat the wrapping of yarn around needle, then yarn over needle and pull through all loops, skip the st behind the crisscross*, repeat between stars. This tweed stitch is very attractive for an entire afghan made in squares (in this case do not work the last two rows forming the crisscross stitch).

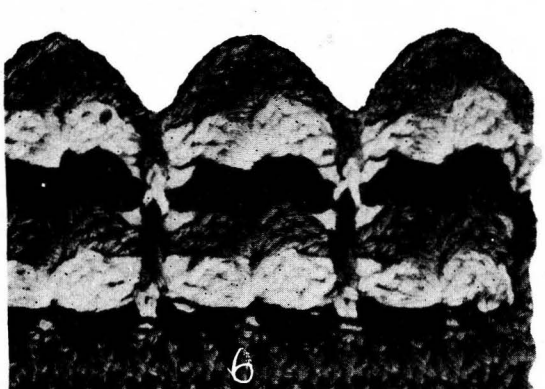
4—PICOT. ROWS 1, 2, 3: sc. (Note: more or less rows of sc can be made according to width desired.) ROW 4: *sc 1 in each of next 4 sts, ch 4, sc around last sc*, repeat between stars. It is suggested that the color be changed in row 4 to emphasize the picots.

5—FRINGE. ROW 1: dc. ROW 2: dc 2, *ch 1, skip next st, dc in each of next 2 sts*, repeat between stars. This forms open spaces for inserting fringe. Cut yarn to desired length for fringe, and loop through the open spaces. More or less strands of yarn will make the fringe thicker or finer as desired. Use solid color, or various colored yarns depending on the afghan color scheme.

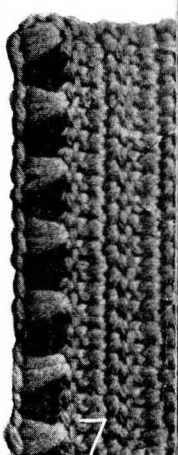




6—MULTIPLE SHELL. ROW 1: on the edge of the afghan, *sc 1 in each of next 4 sts, ch 3, skip 2 sts*, repeat between stars. ROW 2: dc 1 in first space, *dc 4, ch 1, dc 4 in next center chain, dc 1 in next space*, repeat between stars. ROW 3: *dc 4, ch 1, dc 4 on center top of first shell, work a stem st around dc of previous row (work stem st as follows: wrap yarn around hook and insert hook around dc in row below)*, repeat between stars. ROWS 4, 5, 6: work same as row 3. Colors can be changed each row. Shading the colors from light to dark creates a beautiful effect. This stitch can be used for an entire afghan.

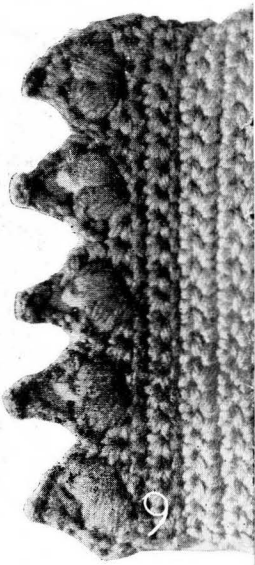


7—BLANKET EDGING. ROWS 1 AND 2: sc. (Note: for wider border repeat rows 1 and 2). ROWS 3 AND 4: change to contrast color and sc. ROW 5: change back to main color, *work 2 long sc sts (over the contrast color) into one st of main color 2 rows below, ch 1, skip 2*, repeat between stars.

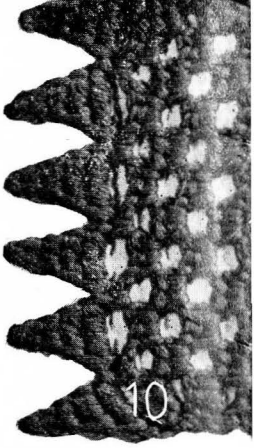


8—DIAMOND PICOT. ROW 1: dc. ROW 2: dc 2 in first st, ch 2, dc 2 in same st, *skip 2 sts, dc 1 in next st, skip 2, dc 2, ch 2, dc 2 in next st*, repeat between stars. ROW 3: same as row 2. ROW 4: *dc 2 around chain in row below, ch 3, sc in 2nd st from hook (picot), dc 2 in same space*, repeat between stars.

9—BEAN STITCH. ROWS 1 AND 2: sc. ROW 3: ch 2, skip 2, *wrap yarn around hook and pull through a loop in next st, leaving loop on hook, repeat the wrapping of yarn around hook and pulling through the loops 3 more times (having 9 loops on hook), yarn over hook and pull through all the loops*, ch 5, sc 1 in 3rd st from hook (picot), ch 2, repeat between stars to make another bean st in same st as the last bean st, ch 2, skip one st, sc 1 in next st. This forms one point, repeat from beginning of row.



10—ZIG ZAG. ROW 1: *sc 1 in each of next 2 sts, ch 2, skip 2*, repeat. ROW 2: *sc 2 around ch of row below, ch 2, skip 2 sc*, repeat. ROWS 3, 4, 5: repeat row 2. ROW 6: ch 5, sc in 2nd st from hook, h dc in 3rd st, dc in 4th st, tr c in 5th st, sc in the ch 2 space of previous row. This completes one point. Repeat. Note: The points can be made of different colors than the first five rows. Also, colored chains of yarn can be woven through the spaces formed by the first five rows.



THE Origin OF THE AFGHAN

THE thrifty womenfolk of our early American days carefully saved odds and ends of yarn, left-over colors, ravellings from sweaters and socks — all to be made into a robe for the family's general use. As fast as the yarn accumulated, it was crocheted into small squares—the colors tastefully combined from whatever yarn was available at the time. When sufficient squares were completed, they were sewed together to make a colorful blanket useful for many purposes—as a bedspread, for a shawl, as a leg and lap covering, for sleighing, for "bundling," as a throw over a rocking chair, and for colorful decoration around the house.

Since Grandmother played the major role in its making, the robe was affectionately called the "Granny".

Because Granny's robe originally was made of many colors, it resembled a particular type of colorful rug brought from Afghanistan to this country by the gallant sailing ships of Colonial times. So the nickname, "Afghan", came into popular use!

Today, "Afghan" is used to describe various kinds of robes and blankets which are crocheted or knitted of soft wool yarns in the beautiful shades suggested by style and made available by modern dyecraft.

ORIGINALITY IN AFGHANS

A beautiful afghan, planned by yourself in good taste, will add rich warmth to your home. At your fingertips are all the ingredients to assemble an individual afghan. Select your color favorites, arrange the construction design, adopt an appropriate stitch, and finish off with a border of your own choosing. Go through this book, select your ideas and then plan out your own original Afghan!

YOU CAN MAKE THE AFGHANS EXACTLY AS SHOWN—
OR ALTER THEM TO SUIT YOUR OWN IDEAS AND REQUIREMENTS

FOUR STEPS IN MAKING AN AFGHAN

1 — COLOR SCHEME. This is the most important feature. Contrast brilliant colors. Blend soft shades. Graduate 3 or more shades of a color into harmonious color-runs (example: light blue, alice, royal, navy blue). Utilize the tastefully styled ombre yarns (variegated colors). The use desired of the afghan will be the deciding factor in choice of color.

2 — CONSTRUCTION PLAN. Following is a general classification of afghans according to the way they are made.

PART 1 — (Book No. 30)

A. Small square blocks sewed together ("Granny").
B. Small motifs sewed together (hexagons, diamonds, etc.).
C. Large sections sewed together (rectangles, squares, etc.).

PART 2 — (Book No. 40)

D Strips sewed together (narrow or wide).
E. Entire afghan made in one piece.

For approximate afghan sizes see page 19. As an aid in planning the construction, use the graph on page 19. Several suggested design diagrams are shown at bottom of page 5.

3 — STITCH. There are many stitches which can be used for each type of afghan, whether crocheted or knitted. For example, there are a number of variations of the "Granny" square. Many stitches are suggested throughout the book. Make samples of several, and select the one you like best.

4 — BORDER. Special border stitches are shown on the opposite page, as well as through the book. A discriminately chosen border adds that "finishing touch." The choice of color in the border is very important. A tasteful border provides a fitting frame for your afghan.

The Afghan Above Is The True "Granny" Type Assembled From Many, Varied Squares. These Color Suggestions Can Be Changed To Suit Your Own Color Ideas, And The Yarn Colors Available.

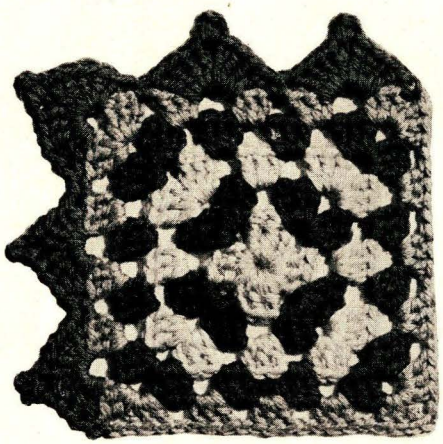
HER MAJESTY THE "Granny" AFGHAN

Crocheted in 4" squares, 13 x 19 = 247 squares. Size: 52" x 76"
Requires about 4½ pounds Knitting Worsted or Germantown yarn.

CROCHET INSTRUCTIONS FOR ONE SQUARE

MATERIALS. Use #0 or #00 standard size steel crochet hook (either one will make a 4" square depending on your gauge). ¼ oz of Knitting Worsted or Germantown will make approximately 1 square of 5 rows.

ROW 1 (center): ch 4, join into a ring with a slip st, ch 2, dc 2 into ring, *ch 2, dc 3 into ring*, repeat between stars twice more, ch 2, join at the ch 2 at beginning of row. ROW 2: slip st to corner and ch 2, dc 2 into corner, ch 2, dc 3 into same space, *ch 1, dc 3 in next space, ch 1, dc 3, ch 1, dc 3 in next corner*, repeat between stars all around. ROWS 3, 4, 5: same as row 2, with each row having 1 more group of 3 dc than preceding row.



ONE 4" SQUARE WITH SPECIAL GRANNY BORDER

SEE PAGE 15 FOR ALTERNATE GRANNY STITCHES

COLOR. The true "Granny" made of many colors (shown on page at left) requires approximately 3 pounds of colored yarns and 1½ pounds of black (for the fifth row of each square, and border all around.) The color combinations possible are endless. Some appropriate suggestions for various squares are illustrated in color.

SUGGESTIONS. Make the entire afghan in one color. • Make each square the exact same color arrangement. • Make the centers of every square the same. • Make the borders (row 5) of each square the same background color. • Use definite colored squares to arrange designs. several design diagrams are suggested below. Use the construction graph on page 19 to plan out your own design. • Make larger blocks if desired by working additional rows. Also large blocks can be surrounded by small blocks within the same afghan.

FINISHING. With yarn (same color as row 5 of all the blocks) sew the blocks together using an overhand stitch. Crochet a border around the entire finished afghan (using same color) as follows. SPECIAL GRANNY BORDER: Starting at corner (first space at right of corner space) fasten yarn, sc 1 in this space, dc 5 into corner space, ch 3, sc 1 into first chain (makes picot), dc 5 into same corner space, *sc 1 into next space, dc 4 into next space, ch 3, sc 1 into first chain (picot), dc 4 into same space*, repeat between stars all along edge to next corner, and work same as first corner. Continue around. Any other border can be used if desired. See page 2.

"OMBRE GRANNY" SHOWN ON FRONT COVER. The various colored sections as pictured are divided by the arrangement of squares made of "shadow" ombre yarn (white-gray-black). Each section is made of one ombre-color yarn. The corner sections are made of "rainbow" or "pastel" ombre yarn. Row 5 (border) of every square in the afghan is black, and the border is black also. This afghan can be folded to match the color scheme of any room. The border used is the "Special Granny Border" shown on this page.

Drop the rust, ch 1 (always holding rust behind work), wrap yarn twice around hook and tr c 1 in last ch of row below (to obtain a straight edge), ch 4, turn. Work 3 cable sts in the 3 cables of the same shade of row below. Drop the beige, and with rust to work the 3 cables onto the same shade of row below, cross yarn in front of work, ch 1, now working the cables from left to right across the work (the cable sts will cover thread which crosses the front of work), pick up beige, ch 1. Wrap yarn twice around hook and tr c 1 on top of ch of row below (edge), ch 4, turn. Continue to work in this manner making 12 strips 54″ long and 9 strips 72″ long. "Knit-a-Knot"

AFGHAN IN SQUARES

Using this stitch, work out as desired any color scheme, construction design and size. Finish with an appropriate border.

1—KNIT-A-KNOT STITCH. 6″ square, using #4 bone knitting needles, requiring ½ oz knitting worsted for 1 square.

GAUGE: 6 sts = 1 inch

Pattern st is a multiple of 4 sts. For a 6″ square cast on 36 sts, work in garter st for 8 rows (4 ridges). On next row start pattern row as follows: ROW 1: K 6, *incr 3 sts in next st as follows: first a K, then a P, then a K (without slipping the st from needle while making the 3 incr), P tog the 3 following sts*, repeat between stars to within the last 6 sts, K 6. ROW 2: K 6, P to within last 6 sts, K 6. ROW 3: K 6, *P tog the 3 sts which appear close tog, incr 3 sts in the st which appears single on this row (the pattern alternates)*, repeat between stars, ending row with K 6. ROW 4: K 6, P to within last 6 sts, K 6. Repeat these 4 rows until work measures 5″. Work in garter st for 8 rows (4 ridges). [Note: the back side of pattern is the correct side].

KNIT-A-KNOT STITCH

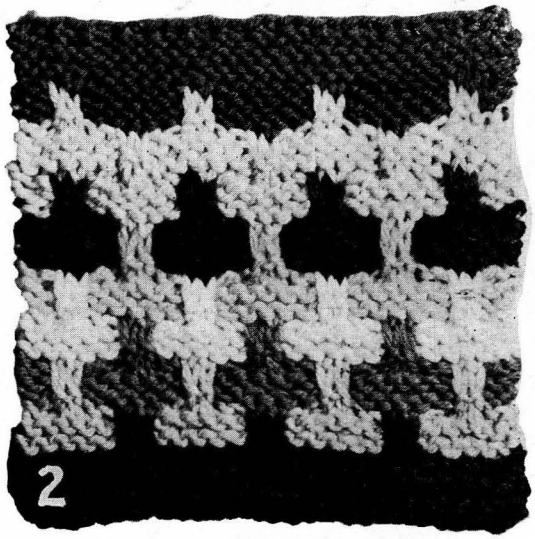
ADDITIONAL KNIT STITCHES

These stitches can be worked in the size squares as given, or can be made in any size pieces or strips.

2—BASKET WEAVE STITCH. 6″ square, using #8 bone knitting needles, requiring ½ oz Knitting Worsted for 1 square.

GAUGE: 5 sts = 1 inch.

For a 6″ square cast on 30 sts. Work in garter st for 6 rows (3 ridges). PATTERN ROW 1: change color, *K 6, sl 2 sts*, repeat across row. ROW 2: *K 6, bring yarn to front, sl the same 2 sl sts of previous row*, repeat across row. Repeat rows 1 and 2 twice more. Next row, change color, K 2, *sl 2 sts, K 6*, repeat across. This staggers the sl sts. Continue in this manner, changing colors every 6 rows (3 ridges). Work last 6 rows (3 ridges) of square plain, in same shade as first 6 rows.



BASKET WEAVE STITCH

3—WALNUT SHELL STITCH. 8″ square using #6 bone knitting needles, requiring 1 oz of Knitting Worsted for 1 square.

GAUGE: 9 sts = 2 inches.

Cast on 37 sts. Work 6 rows of plain knitting (3 ridges). PATTERN ROW 1 (to make nut shell): K 6, *incr 5 times in next st as follows: K 1, P 1, K 1, P 1, K 1, P 1 all in one st, K 7*, repeat between stars twice more, then incr 5 times in next st as before, K 6. ROW 2: K 6, *P 6, K 7*, repeat between stars twice more, P 6, K 6. ROW 3: K. ROWS 4-5: repeat rows 2-3. ROW 6: repeat row 2. BORDER

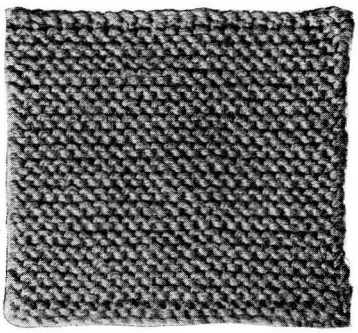
(Cont. page 16)

Little Daughter's AFGHAN

FOR THE BEGINNER



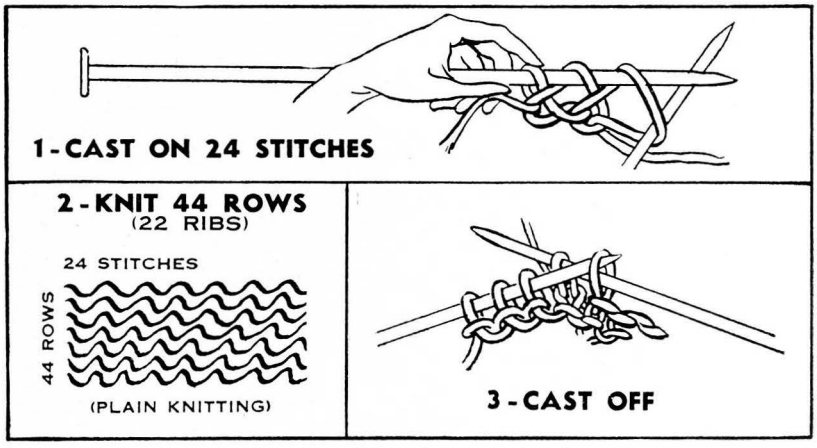
4" KNIT SQUARE

Make any number of small squares, and sew them together. For doll blanket, make white squares, sew together, and then cross stitch over the seams with pink and blue yarn. For a large afghan, make the squares in many beautiful colors. Finish with a tied fringe border, or any other border you might wish.

IF YOU WISH TO KNIT. Follow instructions for one square which are given in diagram. Use #4 bone knitting needles. 1 oz Knitting Worsted makes 4 squares. Following are instructions for casting on, knitting, and casting off.

No. 1—To Cast On—Make a slip loop with the fingers, place loop on needle, hold this needle in the left hand, insert the right hand needle in the loop, pass the yarn around the point of the right needle, draw the yarn through the loop, slip the new st which is on the right needle over to the left hand needle by inserting the point of the left needle in the loop from right to left, slip loop from needle, repeat for desired number of sts.

No. 2—To Knit Row—Hold the needle with the sts to be knitted in the left hand, have the yarn in the back, insert the right hand needle into the first loop, pass the yarn around the point of the right needle, draw the loop through, slip the old st off the left hand needle, the new st will be on the right hand needle.' Repeat for each st on the left hand needle.



No. 3—To Cast Off—Knit two sts, *insert point of the left needle in the first of the two sts knitted, pass this loop over the second st knitted, knit another st*, repeat between the stars across. When all sts are cast off, one loop remains, break yarn and draw through last st.

4" CROCHETED SQUARE

IF YOU WISH TO CROCHET. The pictures and directions below will help you. Use #00 steel crochet hook, 1 oz Knitting Worsted will make 4 squares.

STITCH MEASURING GAUGE (INCHES)

Pointers IN MAKING YOUR AFGHAN

SIZE: An afghan can be made any size desired. To some extent the size will depend on the design used. *The usual size is 54" x 72".* Following are approximate sizes for special uses.

Small (lap robe)—44"x56".

Medium ("occasional throw", davenport, twin bed) 54"x72" *(This is usual size.* Also frequently used in 60" width).

Large (bedspread for single bed)—66"x84".
(bedspread for double bed)—72"x84".

Motor robe — 56"x76".

Carriage Cover—32"x42" (large), 26"x36" (small).

Crib Blanket—36"x54" (large), 34"x44" (small).

Knee rug (for driving)—36"x54".

Pillows —16"x20" (rectangle), 16"x16" (square).

YARN. 4 ply Germantown, Knitting Worsted, or Ombre Worsted is yarn generally used. For a lightweight afghan, use 2 ply Shetland Floss which is half the weight of the heavier yarn. An ideal compromise for proper weight is the 3 ply afghan yarn which is ideal when available. For babies' blankets use 3 ply Saxony (plain or with Pompadour twist) for lightweight, and 4 ply Germantown (plain or with Pompadour twist) for medium weight. The heavier 2 ply Fluffy Twist is also very popular for warm blankets, as given on page 8. Different yarns can be used other than called for in the instructions. If so, the gauge and size might vary. However, this easily can be adjusted by you and is not especially important, except as it might radically change the appearance of the stitch, which you will have to judge and correct at your discretion.

DYE LOT NUMBERS. It is best to have all one dye lot of a color to avoid variations in shade. However, where many, small, colored squares and motifs are used, the dye lot is not of as much importance as where there are large sections of one color.

FINISHING. When all the parts are finished and assembled, go over the afghan, sewing in loose ends. Then block (steam and press) the afghan to a flat, even shape. To do this, use a damp cloth and a moderately hot iron, allowing the steam to thoroughly penetrate the wool.

CLEANING. For greatest satisfaction, be sure to have your afghan dry cleaned.

CROCHET OR KNIT? The majority of afghans are crocheted. If you don't already know how to crochet, it is suggested that you learn — it is easy. See fundamental stitches on page 18. However, for those who have trouble, there are appropriate knit stitches — see page 13. Also, good knitters can frequently imitate crochet stitches.

ABBREVIATIONS

K = knit	ch = chain

st = stitch	dc = double crochet

"Even" means to make no increases or decreases in the row. A * (star) is used to indicate directions which are to be repeated the additional number of times specified.
